

MOVING SALE

PCL Nitrogen Cart

The PCL Nitrogen Cart is compact, mobile and easy to use.

- **Inflate up to 6 tires simultaneously.**
- Keep up with the rising demand for nitrogen and fill more tires in less time!

Unmatched pressure accuracy and hands-off operation

\$1476 .00
ON SALE \$1200.00

PCL Nitrogen Analyzer

A **must-have tool** for monitoring the performance of your N2 generator and demonstrating to your customers the N2 purity level in their tires.
\$274.00
ON SALE \$260.00

Nitrogen Analyzer Replacement Sensor

Already have a PCL nitrogen analyzer? Replacing the oxygen sensor is recommended every two years.
\$133.00
ON SALE \$106.00

Handheld inflators

Robust but lightweight handheld digital or dial gauge tire inflators with easy-to-use interface and controls. Fast, accurate, trouble-free tire inflation!

Digital \$95.75 ON SALE \$83.50
Dial \$58.36 ON SALE \$50.00

Digital tire tread depth gauge.
\$15.00 ON SALE \$12.50

Most accurate, longest lasting gauge in the industry.

- Internal friction device holds the "stick" making it easy to read once the pressure gauge is removed from the tire valve stem.
- Angled head allows easier access to valve stem.

\$14.00
ON SALE \$12.00
